

Spencer - Van Etten

Alma Mater

Verse 1

In the days of youth, we come to thee
In the years ahead, we'll faithful be;
When our tasks are set, we'll follow far
Led onward by your star.

Chorus

Spencer-Van Etten, sing the glad refrain
Honored name, bring her fame in all you do
Pay the debt for the best she gave to you
Red, black and silver, colors named by thee
All thy sons and daughters dear, honor thy memory.

Verse 2

When at times we falter on the way,
All our nights are long and short the day;
Then we'll stop and rest and just recall
The goals you set for all.

Chorus

Spencer-Van Etten, sing the glad refrain
Honored name, bring her fame in all you do
Pay the debt for the best she gave to you.
Red, black and silver, colors named by thee;
All thy sons and daughters dear, honor thy memory.
